AGREEMENT

By signing this form, I agree that I am an authorized representative of this organization and that I can enter into an agreement with "1689 Seeds" [1689seeds.org] for the purposes of obtaining private contact data from the online directory of 1689 Seeds - who are persons who are needing a Church that holds to the "1689 Confession" (2nd London Baptist Confession of Faith of 1689). I agree that my organization shall only contact individuals in the 1689 Seeds directory for the strict purposes of church planting efforts, and that my organization will not disclose this private contact information outside of my organization (unless required to do so by law, or with specific approval from 1689 Seeds). I understand that 1689 Seeds reserves the right to terminate this agreement (and also revoke any access to the online directory) at any time for any reason, with or without any notification. I also understand that 1689 Seeds makes no warranties/guarantees about any data/information (or the availability of such). Those in my organization agree to inform individuals that we make contact with, that they have obtained their information from 1689 Seeds. Our organization agrees to immediately not make any further contact attempts to 1689 Seed individuals, if there is ever a request made by the contacted party to have any further contact ceased. If approved, I understand that my organization will be listed publicly on the 1689 Seeds website as an approved organization on our website.
